

Bay Window with Soffit

Measure windows accurately using metal tape

- A - From ceiling to bottom of soffit. If you have crown molding do measurement "B" instead of "A"
- B - From bottom of crown molding to bottom of soffit.
- C - From top of window frame to floor for each window.
- D - Outside of window frame to outside of window frame for each window.
- E - Free wall space to left of bay window.
- F - Free wall space to right of bay window.
- G - From top of window frame to ceiling of bay area.

Please write all measurements near corresponding letter
